LIFETIME ECONOMIC ACCELERATION PROCESS

(LEAP Systems, Inc.)

Presented by: Arthur P. Sanger

Internationally recognized financial expert

National speaker for past 16 years

Former Executive Vice President of LEAP Systems, Inc.

31 years of experience in the financial industry

JOIN US TO LEARN:

- \$ How to use a scientific and intelligent approach in making money decisions.
- \$ How to increase wealth with lower risk.
- \$ How to get more protection against factors that can erode wealth.
- \$ Why financial decisions should be based on fact not opinion.
- \$ Why we are performance based, not fee based.

*“If something you thought to be true about financial planning wasn’t,
when would you want to know about it?”*

Bob Castiglione, CEO and President of LEAP Systems, Inc., circa 1981

Not attending could cause your family to lose millions of dollars.

Two chances to see Art Sanger in person:

Monday, May 12 or Tuesday May 13, 2008
